

Simone Baravelli

- Fullstack Web Developer -

WhatsApp: [+39 334 23 25 244](tel:+393342325244)

Email: simobara@hotmail.it

LinkedIn: [In/SimoneBaravelli](https://www.linkedin.com/in/SimoneBaravelli)

Citizenship: Italian - Australian

PROFILE

FRONTEND: Html, Css, JavaScript, Bootstrap, Scss, Tailwind, MaterialUI, Typescript, Git, UI/UX, Svelte, React, Next, (Vite).

BACKEND: Java11, MySQL, PostgreDb, NodeJs/Express, API, Python.

With years of combined experience and a specialization in courses focused on frontend development of websites and applications, I have a deep understanding of the theories and principles of the IT industry.

I leverage my collaborative, interpersonal, and relationship-building skills to work effectively with multidisciplinary teams, managing interactions in various product development processes, all to fortify businesses.

In my free time, I delve into the latest development trends, constantly seeking ways to enhance my productivity and refine my professional knowledge, ensuring a consistent and progressive pace.

I am highly organized, disciplined, and responsive, coupled with an ability to remain calm under sustained pressure.
